- _____ Initial 1. I acknowledge that participating in athletic programming activities involves known and unanticipated risks which could result in physical or emotional injury, paralysis or permanent disability, death, and property damage. Risks include, but are not limited to, broken bones, sprains, concussion and other serious injuries, I understand such risks simply cannot be eliminated, despite the use of safety equipment, without jeopardizing the essential qualities of the activity.

My participation in this activity is purely voluntary and I elect to participate despite the risks. In addition, if at any time I believe that event conditions are unsafe or that I am unable to participate due to physical or medical conditions, then I will immediately discontinue participation.

I understand that severe behavior, disruptive behavior, and gang affiliation can result in consequences and confiscated property.

- _____ Initial 8. I agree that if any portion of this agreement is found to be void or unenforceable, the remaining portions shall remain in full force and effect.
- _____ Initial 9. I understand that this information can be used for grants, reports, assessments, studies and surveys for BCI and other partnerships.

By signing this document, I agree that if I am injured or my property is damaged during participation in this activity, then I may be found by a court of law to have waived my right to maintain a lawsuit against the parties being released on the basis of any claim for negligence.

I have had sufficient time to read this entire document and, should I choose to do so, consult with legal counsel prior to signing. Also, I understand that this activity might not be made available to me or that the cost to engage in this activity would be significantly greater if I were to choose not to sign this release, and agree that the opportunity to participate at the stated cost in return for execution of this release is a reasonable bargain. For CDBG income limit reporting:

Extremely Low Income is defined as at or below 30% of the median family income for the Metropolitan Statistical Area (MSA). Low Income is defined as at or below 50% of the median family income for the Metropolitan Statistical Area. Moderate Income is defined as at or below 80% of the median family income for the Metropolitan Statistical Area. Median Income for a family of four in the Toledo Metropolitan Statistical Area: \$71,900. The above income limits are as adjusted by HUD for the Toledo MSA and may not match the defined thresholds.

(Based on HUD 2020 Median Income and Income Limits: State of Ohio, Toledo MSA)

* The FY 2014 Consolidated Appropriations Act changed the definition of extremely low-income to be the greater of 30/50ths (60 percent) of the Section 8 very low-income limit or the poverty guideline as established by the Department of Health and Human Services (HHS), provided that this amount is not greater than the Section 8 50% very low-income limit. Consequently, the extremely low-income limits may equal the very low (50%) income limits.

Chronically Homeless

A "chronically homeless" individual is defined to mean a homeless individual with a disability who lives either in a place not meant for human habitation, a safe haven, or in an emergency shelter, or in an institutional care facility if the individual has been living in the facility for fewer than 90 days and had been living in a place not meant for human habitation, a safe haven, or in an emergency shelter immediately before entering the institutional care facility. In order to meet the "chronically homeless" definition, the individual also must have been living as described above continuously for at least 12 months, or on at least four separate occasions in the last 3 years, where the combined occasions total a length of time of at least 12 months. Each period separating the occasions must include at least 7 nights of living in a situation other than a place not meant for human habitation, in an emergency shelter, or in a safe haven.

Chronically homeless families are families with adult heads of household who meet the definition of a chronically homeless individual. If there is no adult in the family, the family would still be considered chronically homeless if a minor head of household meets all the criteria of a chronically homeless individual. A chronically homeless family includes those whose composition has fluctuated while the head of household has been homeless.
